This matter comes before the Public Service Commission of South Carolina (the Commission) by way of an Application filed by J & M Tank Lines, Inc. (the Applicant) for a Class F Certificate of Public Convenience and Necessity to render motor freight service under contract as follows:

PORTLAND AND MORTAR CEMENT AND LIME, IN STRAIGHT OR MIXED SHIPMENTS: Between points and places in South Carolina, under contract with Blue Circle, Inc.

Subsequent to the initiation of this proceeding, the Commission Staff instructed the Applicant to cause to be published a prepared Notice of Filing in certain newspapers of general circulation in the State of South Carolina. The Notice of Filing indicated the nature of the Application and advised all interested parties desiring to participate in the proceeding of the manner and time in which to file the appropriate pleadings. The Petitions to Intervene originally filed by Santee Carriers, Inc. and Southern Bulk Haulers, Inc. were subsequently withdrawn.

Upon consideration of the Application, the representations contained therein and the documentary evidence attached thereto, the Commission finds that the Applicant is fit, willing and able to perform the service to the public under the authority sought. The Commission also finds that the granting of the certificate is required by public convenience and necessity.

IT IS THEREFORE ORDERED:

1. That the Application for a Class F Certificate of Public Convenience and Necessity be, and hereby is, approved.
2. That the Applicant file the proper license fees and other information required by S.C. Code Ann., Section 58-23-10 et seq. Code Ann., Vol. 26 (1976), as amended, a certificate shall be issued to the Applicant authorizing the motor carrier services granted herein.
4. That prior to compliance with such requirements and receipt of a certificate, the motor carrier services authorized herein may not be provided.
